State	WISCONSIN
Zip Code	53704
Phone Number	(808) 555-6245
Password	Password01
<a href="#">Update</a> <a href="#">Cancel</a>	

For some reason my width would not go out for the customer id to have the rest of the columns follow suit here is the code sample below:

```
<asp:BoundField DataField="CustNumber" HeaderText="Customer ID" InsertVisible="False"
ReadOnly="True" SortExpression="CustNumber" HeaderStyle-Width="125px" ItemStyle-
Width="325px"/>
```
